

Support your
2011 Rocky Mountain High School
Grizzly Band Program!

Every student member of the Grizzly Marching, Symphonic and Jazz Bands joins for one reason—they have a great time working hard with their peers to put on a great show. Members learn the value of teamwork, responsibility and the amazing things that can be achieved when they work with other people towards a goal.

Unfortunately, this great experience has a price. Raising funds for operations has become a necessity for our program in today’s financial climate and each student is responsible for **\$300** of fees to participate in the Grizzly Band Program at Rocky Mountain High School.

Your sponsorship will be used completely to fund the operations expenses of the Rocky Mountain High School Grizzly Marching, Symphonic and Jazz Bands and will greatly impact our students’ experience by allowing them to participate in an award winning program. Please consider making a \$25 dollar sponsorship for one or more of our events this 2011-12 season.

Your name or business will be printed in **ALL** of our concert programs throughout the entire school year. You will also receive a certificate of appreciation and a receipt for your taxes if requested.

STUDENT NAME:
